1. The headquarters of 12 Infantry Regiment were located in Kharmanlii. The headquarters of an unidentified antitank company commanded by First Lieutenant Marinov were also located in Kharmanlii.
2. At the western edge of Kharmanlii were barracks for the headquarters and men of 12 Infantry Regiment and the antitank company. The barracks were constructed before World War II to quarter a cavalry regiment. The barracks consisted of the following buildings:
 - a. A 1-story building approximately 20 meters long and 10 meters wide, for the offices of the headquarters; and
 - b. A 1-story building approximately 100 meters long and 10 meters wide, to quarter the men.
3. In the barracks area were four stables, each 60 meters long and seven meters wide, and a warehouse.
4. The barracks area and training ground were surrounded on the north by a wall and on the other three sides by barbed wire. The entire area was approximately 800 x 400 meters.
